DETAILED ACTION

Allowable Subject Matter

1. Claims 1-5 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art made of record does not teach the structural interconnection of the elements recited in claim 1 such as a radiator comprising a fan having two terminals one connected to a reference voltage through a resistor and the second one used as a speed feedback signal; an integration circuit connected to the second terminal of the fan for converting the speed feedback signal into a voltage signal; and a thermistor connected between the output terminal of the integration circuit and the reference voltage for detecting temperature changes in order to adjust the rotational speed of the fan.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rina I. Duda whose telephone number is 571-272-2062.
